Cancellation and No Show Policy

When you book an appointment, that time slot is reserved only for you. At least 24 hours advance notice of cancellation is required or you will be required to pay the **full cost** of the treatment as booked. This will be charged to your credit card on file.

Notification can be sent by text, email or voicemail. This notification allows time to arrange for another patient to make use of that time slot and makes it so that convenient appointment times are available to everyone.
