

## Notification of New Procedures Regarding COVID-19

Additional sanitization procedures and increased air filtration have been implemented in order to minimize the risk of contracting COVID-19 while receiving acupuncture treatment.

Each patient is screened verbally at the time of booking as well as upon arrival for treatment while waiting in their car. Anyone who who has any of the known COVID-19 symptoms or has cold or flu symptoms will not be allowed to enter the clinic.

## Informed Consent Regarding COVID-19

I am aware that despite these efforts to reduce the risk of cross-contamination between patients, the risk of contracting COVID-19 may still remain. In order to receive acupuncture treatment with Dr. Danielle Baert, I agree to assume that risk.

I agree to contact Dr. Danielle Baert immediately if I begin to develop any symptoms of COVID-19 (see <https://myhealth.alberta.ca/journey/covid-19/Pages/COVID-Self-Assessment.aspx> for more info) within 5 days of receiving acupuncture treatment so that others who may have received treatment around the same date can be notified.

I also agree to permit disclosure of my having received acupuncture treatment from Dr. Danielle Baert to Alberta Health Services in order to facilitate contact tracing, if necessary.

I agree to wear a surgical mask upon entering the building and for the duration of treatment. (A mask will be provided upon entering if you don't have one). I am aware that I am to remain in my car and text 587-707-2765 when I have arrived and wait for a call from Dr. Danielle Baert, and that I must use hand sanitizer and/or wash my hands thoroughly prior to entering the treatment room.
